Hasbro Star Wars consists of several rows of toys licensed by Disney/LucasArts. These figures include not only the Star Wars film franchise, but also characters from novels and comics in and out of mainstream continuity. Action figure sizes range from 3 inches to 6 inches. What is Hasbro Star Wars: Black Line Series? The Hasbro Star Wars: Black Action Series figure line is a series of action figures that began in January 2013 as a lead on the then Star Wars film: The Force Awakens. The series begins with waves of 6-inch action figures. Some of the first figures to be released in this series were: Luke Skywalker as X-w-pilot Darth Maul Princess Leia in slave clothing Dart Vedder Jeddy Obi-Wan Kenobi from Episode III Jeddah Anna Skywalker from Episode III Jedi Luke Skywalker in the bepin team clone Han Soloa Clone Warrior Soldier What is the Black Series 3-3/4-inch action-lines? In 2013, after the initial wave of the 6-inch black series, the 3-3/4-inch action figures were released in conjunction with their 6-inch counterparts. These action data were initially exclusively for some retailers. These smaller toys are different from 6-inch products, as some of the products include individuals who fall into Star Wars Legends without canon continuity rather than Disney continuity. Some of these action figures include: Mara Jade Skywalker from the novels Legends Bastila Shan from the video game Knights of the Old Republic Darth Malgus from video game Old Republic Galen Marek from The Force Unleash video game What is Star Wars: Forces of Destiny figure line? The Hasbro Forces of Destiny product line is a women's line that connects to the animated short shorts of the same name, which also focus on the females of the Franchise. These toys tend to be 11 inches tall and come with accessories such as droids, weapons, and armor. Toys in this line-up include: Rey of Yakoku and BB8 Adventure Set, featuring rocking lightsaber movement Princess Leia Organa and R2-D2 adventure set, Featuring blaster action movement Endor adventure, which includes Leia and Wicket Ewok Jyn Erso Rogue One Adventure Figure, featuring baton-swing movement Sabine Ren Adventure Figure, featuring blaster-purpose action Rey of Jakku Adventure Figure, featuring staff-swing movement Rorawi juggling Chewbacca Adventure Figure, which includes Chewbacca revising electronic sounds and Wooking Continent, provided only for informational purposes eBay is not associated with or approved by Hasbro. After launching retro collection last year, Hasbro introduced the second wave of figures in the Star Wars line that recreate the iconic Kenner figures from Star Wars: Episode V - The Empire Strikes Back features Boba Fett, Han Solo (Hoth), Lando Calrissian, Luke Skywalker (Bepin), Princess Leia (Hoth) and Yoda, along with a Hoth Ice Planet adventure starring the recently designed and exclusive Luke Skywalker (Snowspeeder) Check out the official promotional photos here...
